### THE CLASSIC

Our special dough, handed down from generation to generation since 1978. It is unique and particularly digestible thanks to a long maturation and the use of only organic flours and our mother yeast.

### GLUTEN FREE

Gluten free dough with corn and rice flour (for technical reasons this is a frozen product).

### SEMI-WHOLE WHEAT FLOUR AND MORINGA DOUGH

Available from 21 March to 20 September.  
Dough made by semi-whole wheat flour and powdered Moringa Oleifera, that's a tropical plant with numerous health benefits. Its leaves, in terms of weight, are 25% proteins, which means more than eggs. They have almost four times the amount of vitamin A that can be found in carrots, almost eight times the vitamin C that can be found in oranges and almost three times the amount of potassium that can be found in bananas.
